

LEGEND

Project

- SMR siting area, main construction site
- existing Temelín NPP areas
- temporary construction-site facility areas
- other/reserve temporary construction-site facility areas
- power evacuation corridor
- construction-site power supply corridor
- ETE transport corridors (widening of Road No. 138, I-H connecting corridor, service road)

Nature conservation categories

- pecially protected area (NNR, NR, NNM, NM)
- Natura 2000 - Site of Community Importance
- Natura 2000 - Special Protection Area
- ecologically significant landscape element (ESLE) designated in the public land register (LPIS)
- registered significant landscape feature
- nature park

Territorial system of ecological stability

- TSES designated in municipal land-use plans

Memorial trees and avenues

- memorial tree - solitary tree
- memorial tree - group
- memorial tree - protection revoked

Other land-use constraints

- inactive mining areas
- active mining areas
- deposit - non-reserved minerals
- deposit - reserved area
- protected deposit area
- undermined areas
- undermined areas
- water-source protection zone (Zones 1 and 2)
- water-source protection zone (Zone 1)
- areas with archaeological finds

Scale 1: 25,000
